

54th Annual Bullseye National Championship

July 31—August 2, 2015

Sandy Bay Yacht Club, Rockport, MA

Bullseye Sailors,

We are pleased to publish the Notice of Race, the Registration Form, Waiver Form, and other information about the upcoming Nationals this summer. The schedule is included in the NOR.

Please see our Welcome Letter in the *February 2015 Newsletter* for some general information about Rockport, about an hour north of Boston. As noted there, we have two hoists to drop your boat into the water at any tide, and there is no charge for that service.

Please give us specific information about your housing needs so that we can make the arrangements which will make your stay relaxing. Once your registration has been submitted, we will send you information for ordering a box lunch for Saturday if you want one.

Your entry fee includes the Friday and Saturday cocktails and dinner, the Sunday Awards Lunch, and Saturday and Sunday bagels and coffee for skipper and crew. There is a place for you to add additional crew and/or visitors who want to attend these functions. Beer and wine will be served at the social hours and dinners; set-ups will be provided if you wish to bring your own libations.

We expect to have a small number of boats for charter. Let us know early if you want to be on that list.

We are looking forward to seeing you in Rockport! Give me a call or email if you have any questions.
