Friday our social event will be at the home of Heather Parsons and Andy Kotsatos. See info in upper left-hand column. Dinner for the skipper and 1 crew are included in the registration fee. If you would like to purchase extra tickets please inform Susan Mead @ semead@aol.com. You will pay for your tickets at the door. Please do your best to carpool, some parking will be available in the driveway. When that is full, park in front of the Kotsatos' home on the grass. Please DO NOT park on the grass beyond their driveway, on their neighbors lawn. You will need to park across the street on the golf course side of Point Rd.

Do not forget to purchase a 2-day bracelet through the BBR website if you wish to have dinner and drinks at the club on Saturday evening and Sunday after racing.
